## Temperance Column.

By the Ocala Temperance Reform Club.

Edited by J. A. Munden.

The Club meets every Sunday afternoon at four o'clock in Temperance Hall. The Public are invited.

YESTERDAY AT THE HALL.

The attraction yesterday at the Temperance Reform Club was Rev. C. H. Nash, of Bartow, formerly of the Baptist church in this city.

Mr. Nash referred to the campaign of 1877—the year Marion lot of chickens just received. county voted "dry" - and the "blind tiger" period, and the efforts to enforce the law.

He said that "blind tigers" were not as dangerous as saloons.

He thought a "blind tiger" in the back was not as bad as a tiger in tront with his eyes open.

He said he didn't like all the cranks, but that the moral cranks of today were turning the machinery of the world.

Mr. Nash's speech was received with hearty applause. We hope he will come again.

Cardinal Gibbons, the chief prelate of the Roman Catholic church in the United States, says:

Sunday, first, because it is in the lost or stolen property, investigainterest of Christianity; second, tion of crime. Collecting a spebecause it is good for the law; and third, because it is good for the people."

561,265 gallons of New England rum were sent to Africa last year. And yet we call ourselves a Christian nation.

Is it not high time to call a halt in this iniquitous traffic?

## A FINE DISPLAY.

Mr. Gottlieb has the finest display of photographic samples of his work in his show cases at the foot of the stairs leading to his studio that it has ever been our pleasure to examine.

Mr. Gottlieb is one of the first photographers in this state, and Bring in your Produce and try my gives full satisfaction to his many patrons, many of whom live at a distance and send orders by mail. Edwards work done should give this pleasant gentleman a call.
